

PARTNERSHIP OFFER

**WHOLESALE TRADE FOR CLIENTS
WITH ONLINE SHOPS**

ABOUT US

OUR COMPANY HAS BEEN ON THE MARKET FOR 15 YEARS, AND IN THE LAST 5 YEARS WE HAVE ALSO SET UP OUR BUSINESS ONLINE. FROM THE VERY BEGINNING WE HAVE BEEN SELLING FOOTWEAR. WE HAVE GAINED A LOT OF EXPERIENCE IN THIS FIELD, AND ESTABLISHED EXCELLENT PROFESSIONAL RELATIONSHIPS WITH LEADING MANUFACTURERS AND SUPPLIERS.

Every year we expand our offer and start new business relationships. We offer a wide variety of footwear in attractive prices for our customers to choose from. We do our best to follow the current trends in order to deliver the top product.

We collaborate with many known online shops, bloggers, and celebrities. Our products are frequently used during photo shoots, and can often be seen in famous Polish magazines, such as PANI, ELLE, COSMOPOLITAN, TWÓJ STYL, etc.

In order to meet the needs of our clients who are just beginning their adventure with e-commerce, and who seek to widen the range of products they offer, we would like to invite you to collaborate with us on the basis of online shops integration.

OUR PRODUCTS

WOMEN'S SHOES

Among our range of women's footwear you can find ballet flats, winter boots, pumps, high boots, snow boots, mules & sandals, work shoes, trekking shoes, and sports shoes.

MEN'S SHOES

At our warehouse you will also find men's shoes! We offer mainly men's trekking shoes and men's sports shoes. Always fashionable and reasonably priced.

WHY WORK WITH US

We guarantee professional customer support, available to you from Monday until Friday between 9-15. Our agents are at your disposal, and they will gladly answer all of your questions and provide you with advice

Thanks to us, a lot of our clients have already doubled down on their online sales profits without investing their own resources.

We offer you to diversify your own existing stock, and to integrate your shop with XML and CSV files. As an integrated client:

- ▶ You don't need to maintain your own stock availability,
- ▶ You don't need to prepare the products for sale. The downloaded offerings come with images, descriptions, etc. Preparing these yourself is a very long and toilsome process, and may take up to 70% of time in e-commerce.

Orders are shipped to your business address.

WHY WORK WITH US

Wholesale prices are **20-25%** lower than retail prices

Additional order value based discounts, and discounts based on periodic sales – **all calculated individually**

Possibility of purchases without **VAT***

ALL COURIERS

No quantity requirements – you can even order one pair

Low shipping costs to **Europe Countries**

VERY IMPORTANT TERMS:

• Client must have correct and active European VAT Number which can be checked on: http://ec.europa.eu/taxation_customs/vies/vatRequest.html;

• For transporting purchased goods outside Poland by own mean of transport client must fill statement for every invoice which contains transported goods. Statement is a proof that goods which are the subject of intra-Community supply have been exported from the country and delivered to the purchaser in the territory of other country (inside EU).
